Tuesday 16th June 2020 – Year 1 Overview

Good morning everyone we hope you had a good day yesterday! Here is your learning for today…

Phonics

The sound for today is the **ear** sound. Below is a video you could watch to begin the learning.

https://www.youtube.com/watch?v=D8Bf3zReelc

Once you have watched the video please could you get your child to read and spell the following words:

Dear, fear, gear, meat, mean, near, hear, clear, tear, beard, year

Once your child has done this, the challenge for today is to read the words in alien words. It is the PDF document called ***Year 1 – 16.6 Tuesday ear real and nonsense words***

You could then complete some sentences using the real words in the sentence.

Maths

In school we have previously covered fractions, however this is the first lesson on fractions for this next cycle. This should flow nicely from learning division last week and therefore will help with your child's understanding.

Remind your child of ½ and ¼. These are the only fractions we look at in year 1. Watch these videos to help support:

https://www.youtube.com/watch?v=hVaxiJB6Fls

https://www.youtube.com/watch?v=ZLxbPQRIyjw

https://www.youtube.com/watch?v=nAqzsQL8J6Q (watch up until 4 mins 24 secs)

Today we would like you to help your child to colour in the correct fraction for one whole, ½ and ¼. Some of these on the sheet are tricky for example 3/4, please inform your child that the top number means 3 parts out of 4 and that they need to colour in 3 parts. The PDF sheet is **Year 1 Tuesday 16.6 – read and colour fractions lesson 1**

English

Today we are thinking about the news and how we distribute news to people around the world and within our country. Discuss the following with your child; the need for news, how to we inform people of news, is all news good? Etc. Today we are looking at newspaper articles and their features for example: headline - which is short and catchy, subheadings, bold writing, picture captions, questions etc. Below is a video that might help support this, please ignore the final picture as we will be writing a newspaper report this week.

https://www.youtube.com/watch?v=4X7rAnrz18U

With your child, try and find the features. The PDF sheet is called: **Year 1 Tuesday 16.6 A few newspaper articles**

Project – Who is your favourite (super)hero and why?

Thinking about heroes in our community and fictional superheroes, we are really interested into reading who is your favourite hero and why? This could be Batman, Spider-man, firefighters, the Police etc. We would like your child to concentrate on their handwriting, finger spaces, capital letters and full stops. Furthermore, if your child can use some more interesting vocabulary or punctuation in their writing to enhance it further, this would be most welcomed!

Handwriting

For this week we will be focusing on the letter t and forming it accurately by practising the letter by itself and forming it in words such as: **tag, tig, tot, tan, tick, tail**

Mental Maths

We would like your child to focus on halving numbers. This will be a nice follow on from the division last week and fractions from this mornings work! Please complete this with objects at home or on your fingers showing two but one finger on each hand and parting the hands away. There is a video you could watch and a game on hit the bottom. This links for them are below.

https://www.youtube.com/watch?v=VsyIB2Q6lws

Well done everyone, that's it for today!

Mrs Smith and Mrs Ashton xx
