

Optional Competition to Design a Commemorative Shield

All children at Bowmandale are invited to design a shield to mark the Queen's Platinum Jubilee. We would like to display the winning shields, a bit like the one below, as special markers to record this extremely important event in our history.

All entries should be completed at home on the A4 template provided and must include the following words:

Platinum Jubilee 2022

You can split your shield design into smaller sections if wish, like the example below:

Your design can be as colourful as you like inside the shield design but all space on the outside of the shield template should stay blank.

The closing date for the competition is **Friday, 27th May**. Entries should be handed to teachers who can pass the designs to Mrs Lombard.

Winning designs (3 categories - EYFS/KS1/ KS2) will be displayed on a canvas in Forkedale and there will be a small prize for each of the winning designs.

Teachers can collect spare copies of templates from Mrs Lombard.
