Year 2 overview

E-mail admin.bowmandale@northlincs.gov.uk Twitter @BowmandalePS

Good morning everyone! Please remember that you can still access your books on Bug Club.

Phonics/SPAG (Task 1)

Task 1a:

If you normally do Read, Write inc. in a morning, or even if you don't but you fancy a recap, please visit the video, where you will learn the 'ur' sound.

https://www.youtube.com/watch?v=oL7BGRgEcSU

Task 1b:

If you do not normally do Read, Write inc. please complete this task instead.

We will continue to look at using punctuation correctly in our sentences. Please follow the instructions on 'Punctuating Sentences 3'.

English (Task 2)

We're taking a bit of a break from George's Marvellous Medicine today. In our project lessons, we've seen a lot of time lines recently and I know that some of you have found them a bit tricky to understand so I thought we'd break one down into a single day. Look at the time line of my day and use the information on it to answer the questions on the following page.

Maths (Task 3)

Now you've had the chance to look closely at a time line, we are going to create our own. Begin by watching the video explaining time lines further:

https://www.youtube.com/watch?v=Ld7EnSVA-5w (please ignore the presenters final instructions)

Have a go at creating a time line of your own day. It could be from yesterday or a different day from the past, it could even be an imaginary day of activities you'd like to have done-why not!?

This may be quite tricky to complete on a computer (I struggled with mine!) so it may be best to do this on paper if possible. A template is provided in case you want to use it.

If you would like a simpler version of this activity, please use 'TASK 3b Times of the Day' which will provide a more structured activity.

Art

A while ago we learned about Queen Victoria, who was one of our highly influential monarchs. Watch the video for a reminder about her:

https://www.youtube.com/watch?v=4WQfiYwq9wY

Today we're going to have a go at drawing her. Follow the step-by-step instructions on the video. Remember that you can pause it at any point while you do your own drawing.

https://www.youtube.com/watch?v=RMzh_XpRlP0

That's everything, keep up the great work everyone!

Take care,

Mrs Dent, Mrs French and Miss Hall
