

Year 2 Homework

Friday 14th October

Homework – Part 1

For one of our learning targets this term we are looking at our local area and identifying landmarks. We would be very grateful if whilst out and about you could photograph the children at a couple of local landmarks such as – The Fire Station, Baysgarth Park, Tesco, Waters Edge, Wren, The Post Office, Humber Bridge etc. Please could you send these photos to admin.bowmandale@northlincs.gov.uk Perhaps the children can look out for Road/Street names when they are having their photo taken at the landmark?

Homework – Part 2

Could all children who are able to access Doodle at home aim to log in and reach the green zone? Please let us know if you need any help with passwords and usernames.

Thanks so much for your continued support

Miss Havercroft, Mrs Dent and Mrs French
