

Dividing by 10 and 100

Divide the numbers in the aeroplanes by 10 and 100. Colour in the planes and their answers in the parachutes in matching colours. Use the place value grid to help you to divide the numbers and show your workings. Write dividing by 10 or 100 calculations to match any unused answers in the parachutes.

 3	 15	 97	 88	 48
 29	 9	 26	 9	 9
 0.9	 0.03	 1.5	 0.29	 0.76
 9.7	 0.4	 0.64	 2.6	 8.8
 0.26	 0.48	 0.09	 0.3	 1.6
 2.9	 0.88	 0.97	 4.8	 0.84

Tens	Ones	tenths	hundredths

Write your own calculations for the unused answers in the parachutes.
