You will all have received your letter from your new teacher(s) by now ☺. We hope you enjoyed getting to know a little more about them. Today we are asking you to write a letter back to your new teacher, telling them a bit about you if they have not taught you before or for a long time. If they were your teacher last year, maybe you could tell them some things that they might not know about you.

Some ideas that you could include in your letter are:

- Your favourite colour
- Your favourite food(s)
- What you have been doing during lockdown
- Whether you have any plans for the summer break
- What you are looking forward to about moving classes
- Anything you are interested in learning next year
- Who is in your family
- What you enjoy doing in school
- What you enjoy doing out of school
- Who your friends are
- Whether you have any pets/favourite animals

You could then share your letter with them in September. This is a good chance to show them your writing ☺. You might also want to draw them a picture.

Maths

There are some summer holiday code breaker tasks to have a go at today. Please choose the one you feel is most appropriate, you may even want to try more than one ☺.

Afternoon work

Why not have a go at some shape art? Draw different shapes on a piece of paper. Then either go over your lines with black paint or a black felt tip pen. Once it has dried, you can fill the shapes in with different colours.

There is also a crossword linked to space for you to have a go at.

We are thinking of you all at this difficult time and hope you are all managing to stay well.

Thank you,

Mrs Dent, Miss Turner, Mrs French, Miss Havercroft and Miss Dunkerley.
