Wednesday 1st July

Reading

Can you complete the questions on the text that you read yesterday about Ruby Bridges?

Maths

Can you draw shapes with a given area and perimeter?

(See sheet)

Literacy

Can you look at your notes from yesterday? Can you begin to transform some of your words and phrases into lines that you might include in your poem? Think about the language types that you looked at on Monday. Try to convert some of your words into a metaphor etc. Remember, don't have too many of the same language feature.

Science

Can you read through the science PowerPoint, looking at the features of the human circulatory system? Using this knowledge, can you complete the

circulatory system labelling sheet? Once you have completed this, can you look at the Air Sacs Alveoli and Lungs labelling sheet, can you complete the labels?

Challenge → Can you look at the diagram of the heart? See if you can remember the different parts of the heart.
