

Year 2 homework 09.07.2021

To celebrate our recent Art Week in school, we are asking that the children create their own piece of art for homework this week.

It can be in any style they want and using any medium they wish. Some examples may include sketching, colouring, painting, creating a collage using material in the house (such as a picture made from coats), creating a collage using natural materials, sewing or anything else you can think of.

The children can then either bring their piece of art in to show us, or send in a photograph or a video to the school email address.

admin.bowmandale@northlincs.gov.uk

You could also include a piece of writing or a video telling us what you have done and why you chose to do that particular piece of art work, what inspired you and which part you enjoyed doing the most.

We look forward to seeing what you come up with 😊!

Any questions or queries please don't hesitate to ask.

Thank you,

Mrs Dent, Mrs French and Miss Hall
