

Design a Toy

Amazing Fact

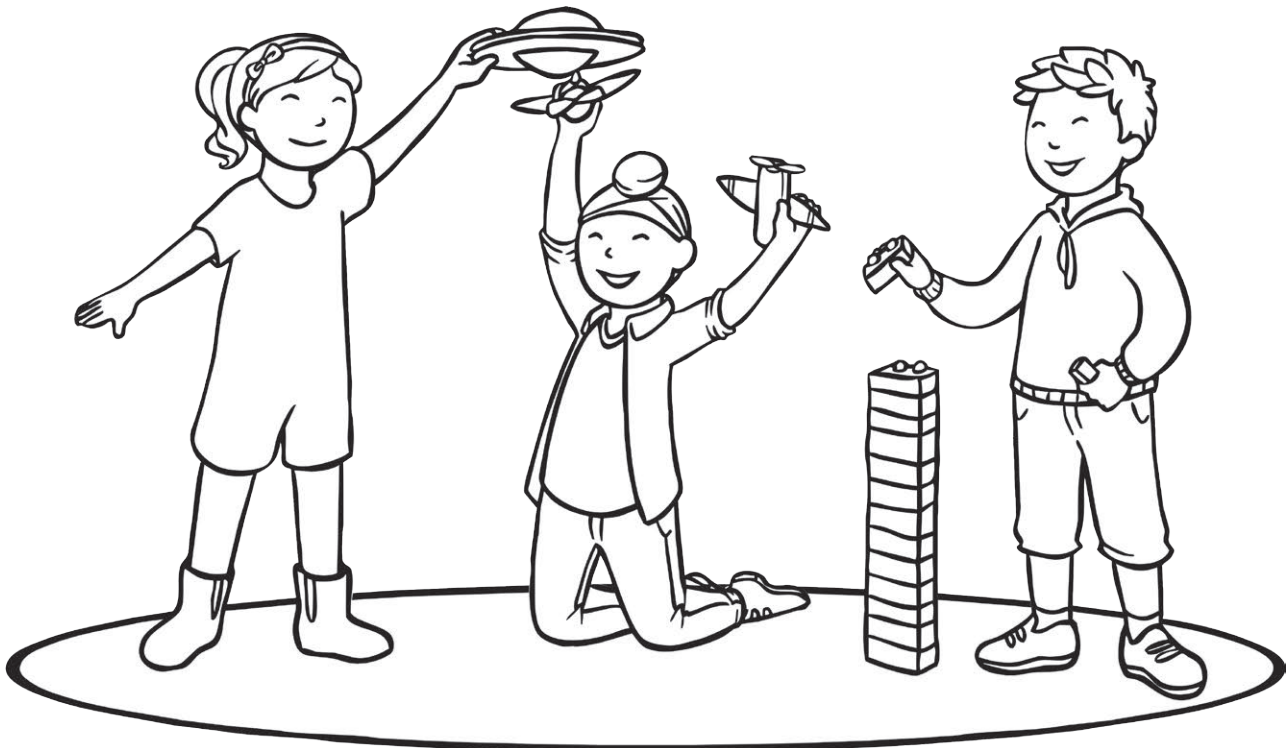

China makes 70% of the world's toys.

Challenge

Imagine you are a toy designer.

- Think about what would make a good toy.
- Draw and label your toy design.
- Write a sentence about what the toy would do.

Use the space on the following page to show your ideas.

You could also try to find out:

- which country is the second biggest manufacturer;
- how your favourite toy is made;
- what happens in a toy factory in China;
- what else is made in China.
