

Year 6 Homework

EGPS

Please ask your child to use their spag.com log in found at the back of their diary to complete the EGPS paper online. They have been shown in class how to access the website and locate their set work. This will then be handed back to us to see how they got on.

Spellings

Remind your child to practise their spellings. These are also available on the home learning website if your child has misplaced them.

Maths

Please complete the arithmetic paper and keep accessing doodle during the holidays.

Reading

Ensure your child reads at least 5 times during the holiday. They are able to read anything that interests them, including reading plus.
