

Year 2 homework 21.01.2022

In class we have looked at the past and present tense and when it is appropriate to use each one. We have talked about using the present tense if something happens usually or is happening now, and the past tense if something has already happened.

We would firstly like the children to sort the verbs into present and past tense.

jumped sit kicked smell hugged eat sleep skipped
thanked drink talk looked played write

| Present tense | Past tense |
|---------------|------------|
| | |

Can you write sentences with some of those words in?

Have a go at changing the sentences from the past tense to the present tense.

E.g. He walked along the path.

He walks along the path.

The dog panted loudly.

The child skipped along the path.

The sky looked clear and blue.

Jasper cooked for all the family.

These sentences should be written in the past tense.
