

name: _____

WALT:

Find out what can and can't be recycled at home

Years 3&4

Where do these things go?

Use the Recycling Locator to find out what bins you have at home and colour them in: recyclenow.com/locator

Then, use the Recycling Locator to find out what you can and can't recycle. Draw arrows to match up the items to the correct bin.

Shampoo bottle

Food pouch

Crisp packet

Nappy

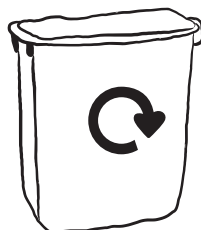

Drinks can

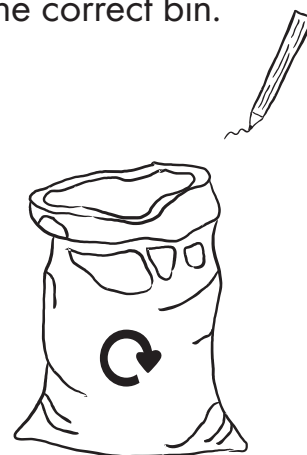

Jam jar

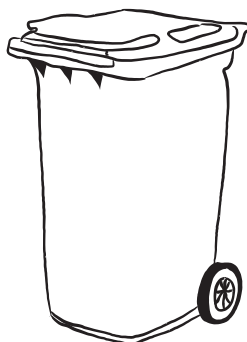

Newspaper

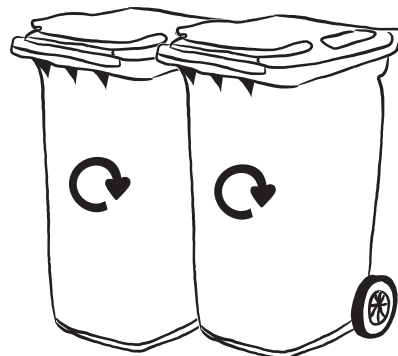

Recycling box

Recycling bag

Rubbish wheelie bin

Recycling wheelie bin

Cross out any containers that you don't have and draw any that are missing.

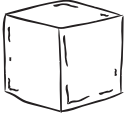

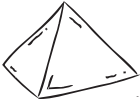

name: _____

Use the table to find 3 differently shaped objects that can be recycled or thrown away in your house.

To find out what you can and can't recycle please visit:
recyclenow.com/locator

Find an object shaped like a...	What is it?	What material is it made from?	Can it be recycled?	Which bag, box or bin should it go in outside?
 Cylinder				
 Rectangular prism				
 Cube				
 Can you find any other 3D shapes (e.g. spheres, cones, triangular prisms)?				

Challenge: Paper, cardboard, plastic, foil, food and glass are all recyclable materials. Try to include as many different recyclable materials as possible in your table!
