Year 5 Homework – Friday 26th March

Look at the images below. Can you up-level these sentences about King Kong?

If you would prefer to write your own then that is even better! ☺

Challenge yourself to include some of the features we have worked on this year.

E.g. expanded noun phrases, relative clauses, sentences that use semicolons, colons or dashes, personification, alliteration, similes etc.

Remember that you do not need to include all of these features in one sentence though.

1. King Kong broke out of the chains.
2. The planes flew over New York City.
3. King Kong was angry.
