

# Anderson Shelter

There is only room in the Anderson shelter for a small cardboard box of your things. You never know how long the air raid might last for.

What would you put in your box?

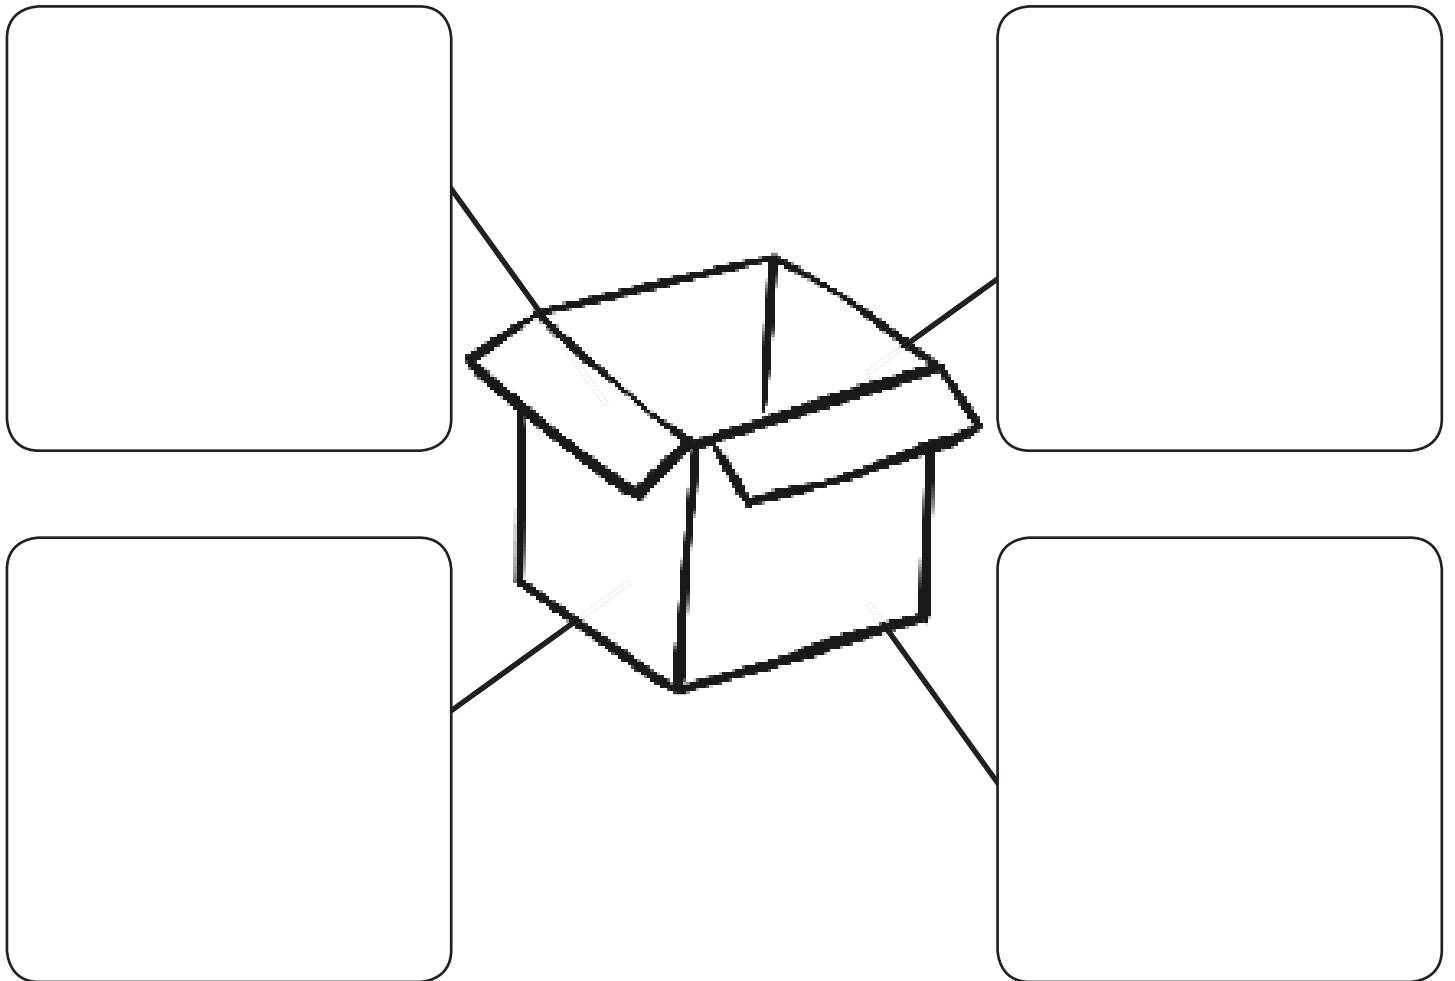

**Think about:**

Food to snack on - remember rationing restrictions.

The time of year it is - will it be warm or wet?

Games and toys suitable for a small space - were your favourite toys around in the Second World War?

Draw what you would put in your box.

Write why you chose to put each thing inside the box.

If you had to pack a box for an Anderson shelter today, what would you put in? Write why you chose each item.
